

Lab 03: Critical Proposal

Targetting your Target Paper

October 10, 2023

Overview of Lab XX

The objective of today is to immerse yourself in the Research Methods of your Critical Proposal Target Paper

This may seem like an ‘academic’ exercise now.. but it is not!

Reading

- Being able to read a single paper carefully and critically is an important skill
- Being able to synthesise multiple papers and appreciate similarities and differences
- Building on this effort to identify 'gaps' or ways to build on strengths

Methods section
