

Lecture 16: Weeks 16 - 20(22)

Dr. Gordon Wright

February 19, 2024

Nothing too heavy today

The last 5 weeks are very reactive to your progress through the MD & CHIP log

Plenty of time available to answer questions, especially the Labs each week.

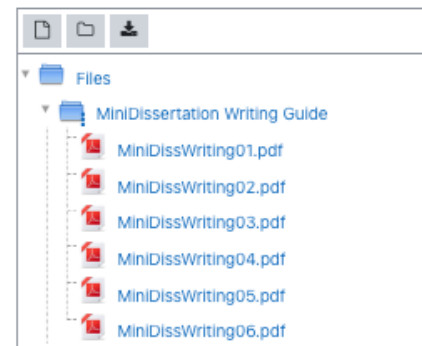

Make sure to use the MiniDiss Writing Guide Resources

#6 is Data Analysis

Remember that all your PS52005C Resources are also available

Lecture slides and Lab Content (Static)
